

### Professional Speaker | “Your Cornerman”

- To ensure the best experience for your audience, please review and share the following with your AV and event team:
- Wireless lavalier mic required (Bruce moves and speaks actively—no handhelds or podium mics).
- Projector/screen and audio for laptop if video or slides are used (will be confirmed in advance).
- No podiums, stools, or chairs center stage—Bruce prefers a clear, open space.
- Room check and A/V test 60 minutes prior to start time (unless arranged otherwise).
- Bruce will meet with the person introducing him; intro provided in video and written format.
- If during a meal, please have dishes cleared before Bruce begins.
- Please fill front rows first to boost energy and engagement.
- Questions or issues? Contact us anytime. Bruce looks forward to delivering a powerful session!
